

Senior Upward Bound Portfolio

The majority of the required coursework can be found in the portfolio for each month. Occasionally you may be directed to seek outside sources and additional help to complete a unit. If you need assistance along the way, you should communicate with the site teacher at your school and your peers in the program. You should also stay in touch with Upward Bound staff to make sure that you know the dates, times, and locations of the monthly portfolio meetings. Information regarding portfolio assignments, stipend payments, campus visitation trips and other special events will be discussed at these meetings.
