

Hi Parents!

Summer is unfortunately at its end but we hope everyone had a great time! This week we have many exciting activities planned such as a “carnival,” counselor vs. kid medic, a talent show, and we even get to watch the Cardinals practice! We will be swimming everyday this week at 2 like normal. Friday will be “Jersey day” for dress-up.

The talent show will be held Wednesday, August 5th and we encourage all the children to participate! Parents are invited to come and watch. The show will be held before and after swimming.
