

# DDC Week 10 “Sports for all week,” K-1<sup>st</sup> grade newsletter

Hey Campers!

This week we have many fun activities planned as usual and are looking forward to two special events scheduled throughout the week. A cardinals trip may also occur on Friday over on south campus.

One event we have scheduled is the camper talent show, which will be an all day event where the kids will show us all the special talents they have. The second event will be the Carnival day which will be fun and challenging games the kids will play over at the recreation center. Like in a real carnival! Anyway, we have a fun week in store for the little ones and hope we all have fun. The talent show will be at the recreation center and the carnival will be at the WAC.

Besides that, we have the usual south beaver trip on Tuesday and rock climbing on Monday. Nothing really major has changed. So, I ask that parents please drop there kids off by 1:15 at the latest because that is when we are taking attendance and starting the planned activities.

Well overall, the kids are doing great and we now realize that this is the last week of camp, so we hope you all have a good year and hopefully we see all the same kids next summer.

Sincerely,

K-1<sup>st</sup> Counselors

What kids need to bring:

Swimsuit

Snack

Towel

Sunscreen

Water Bottle
