Senior's Corner

Spring is a busy time for our Seniors. Not only do they have to keep up their grades so they finish high school successfully, but there are also graduation preparations, farewells, and all of the last minute to-do's for their first semester of College in the Fall. Below you will find a list of those To-Do's.

First, I would like to take a moment to acknowledge our Upward Bound seniors and also reveal a few of the places our students will attend college in the Fall. The Upward Bound staff is extremely proud of these individuals for their hard work and commitment to higher education. We want them all to remember that help from Upward Bound is just a phone call or email away—they don't have to navigate college all by themselves.
