Winter Cultural Retreat

This year the Upward Bound program decided to host a Winter Cultural Retreat in Flagstaff, Arizona. The retreat was an overnight trip to Flagstaff on December 5th. The students were treated to a

dinner at Josephine's restaurant. After dinner, the students attended the "Nutcracker" at Audrey Auditorium on the Northern Arizona University campus. Many of the students and

chaperones had never seen the Nutcracker. So this was a first time experience for many of the students and chaperones. Several of the students shared with the Upward Bound staff they enjoyed the show and dinner.

This trip was intended to be a cultural experience for our Upward Bound students and a treat for all of their hardwork throughout the academic year. As a surprise the Upward Bound staff presented each of the students with a backpack full of school supplies and a Northern Arizona t-shirt. As always, Upward Bound enjoys providing these experiences for our students and site sponsors. Thanks for all of your hard work!
